

- **Decorative Cased Openings** can transform an unimpressive, rectangular opening into an architectural statement.
- **Spec-Trim Mfg. Co., Inc.** has the ability to produce decorative cased openings in any size, shape or style conceivable.
- **Curved casing** is made with clear pine or P.V.C.
- **Straight casing** will vary depending on style
- **Rosettes, Keys and Plinths** are sold separately, see page-3 of the catalog.
